

# Accepted Health Plans

## Lakeland Regional Health Medical Center

While the hospital contracts with the following health plans, the hospital may not be included in all of the products (i.e. HMO, PPO, Behavioral Health) offered by that plan.

Please note that medical professionals providing services at Lakeland Regional Health may or may not be contracted with the same insurance plans as the hospital. Additionally, they may not participate with all of the products (i.e. HMO, PPO, Behavioral Health) offered by the plan.

Patients should contact the healthcare practitioner who will provide services in the hospital to determine which health plans the practitioner participates in as a network provider, obtain an estimate, or learn about their billing practices.

To obtain information about costs related to our services, please visit <https://mylrh.org/admissions-information/> to view our Admissions booklet.

Always check with your health plan to confirm hospital participation. Click the health plan name below to visit the plan website.
