

# RETURN SAFE

COVID-19 testing services for local businesses and colleges/universities.

## **Lakeland Regional Health is committed to helping businesses across Polk County get back to work and slow the spread of COVID-19.**

As Lakeland Regional Health continues to monitor and respond to the COVID-19 pandemic, there are several COVID-19 screening and testing services designed to support an employer's wellness strategies.

### **For Employers**

Receive support in developing a customized testing strategy and solution for employees that takes your unique business needs into consideration.

### **For Colleges/Universities**

Develop a testing strategy alongside our team of experts that supports students, faculty and staff as they learn and work on campus.

# Screening and Testing Options

### Off-Site and Low Cost Testing

Drive-thru testing allows people to remain in their car to receive a COVID-19 test. This method reduces the opportunities for the virus to spread and is safer for those being tested and for the healthcare workers. The drive-thru process including check-in, registration and testing takes approximately **15 minutes**. Consent is required from the employee at the time of their screening prior to testing.

Lakeland Regional Health is pleased to work with Polk County Government to offer two COVID-19 Drive-Thru Testing Centers, one located in North Lakeland and one in South Lakeland.

### Onsite Testing

Our personalized approach allows employers to work alongside Lakeland Regional Health in delivering a seamless testing experience for employees that supports your company's COVID-19 response strategy.

To inquire about either employer screening/testing option please contact [COVIDsafe@myLRH.org](mailto:COVIDsafe@myLRH.org).

# Screening Pricing

The schedule of fees referenced below serves as a sample of pricing and is subject to change based on the requested testing volume and customized return safe strategy of each business.

Location	Fees	Notes
<b>Off-site*</b> Drive-thru	\$25/per employee*	<ul style="list-style-type: none"><li>• 2 hour block of time designated for employer at drive thru</li><li>• Pre-registration spreadsheet must be submitted prior to drive-thru</li></ul>
<b>On-site**</b>	\$225/per employee**	<ul style="list-style-type: none"><li>• Price per an employee decreases as number of employees tested increases.</li></ul>

**\*Off-site** - Lakeland Regional Health is pleased to work with Polk County Government to offer two COVID-19 Drive-Thru Testing Centers, one located in North Lakeland and one in South Lakeland. Pricing is a service fee, insurance is billed for the cost of the test.

**\*\*On-site** - The cost includes the test and convenience of on-site services - there are no separate billing charges for test. Price per an employee decreases as number of employees tested increases.

**Results for testing are typically received in 3-5 days.** Due to the current high volume of tests being processed across the country, it **may take longer than expected** to receive your results. Labs across the state are working as quickly and carefully as possible.
